

# My Own KEEP BOOKS

**Blank KEEP BOOKS children can personalize and make their own.**

My Own KEEP BOOKS are 8-page booklets with blank pages that measure 8 1/2 x 5 1/2. They are twice the size of regular KEEP BOOKS so that little hands are better able to work with them. There is a minimal amount of printing on both the back and front covers so that children can personalize their books and make them their own. They are also available in [BIG My Own KEEP BOOKS](#).

**My Own KEEP BOOKS can be used to reinforce a variety of lessons: reading, writing, drawing, and math! We are sure you will find hundreds of uses for them, but [click here for some suggestions](#).**
