Stretch your funding with KB Bundles and the KB Buddy Offer!

KEEP BOOKS has always tried to maintain low prices, making books affordable for teachers to give to children to keep. While we plan to continue affordability, KEEP BOOKS has been forced by the increasing costs of producing and shipping the books to raise the price of its Grade-Level Sets from \$100 to \$120. Thank you for your continued support and understanding.

Enjoy the same great price and purchase in KB Bundles or through the KB Buddy offer:

KEEP BOOKS Bundles: Bundles make it easy to order and to take advantage of the same great price of 25 cents per book! [Click here for more information.](#)

KEEP BOOKS Buddy Offer: Talk with your colleagues about the many benefits you have seen in KEEP BOOKS and combine your orders to save. Get one set of equal or lesser value free with the purchase of any 10 sets. [Click here for more information.](#) [Click here to download a special KB Buddy Tally Sheet.](#)

[Take advantage of FREE online guides and resources for parents and teachers!](#)
