The Joy of Learning to Read!

Introduce KEEP BOOKS in the classroom...

KEEP BOOKS are designed as a school/home book program that addresses the need for inexpensive but appropriate books in the home.

KEEP BOOKS:
- Were developed and written by educators at The Ohio State University.
- Are leveled for Guided Reading (Fountas & Pinnell) and Reading Recovery®.
- Are sold on a not-for-profit basis and help support literacy programs at The Ohio State University for twice the literacy impact!

...then send KEEP BOOKS home to read again & again!

KEEP BOOKS provide children (pre-k through grade 2) with books to take home to read again and again!

KEEP BOOKS:
- Create positive communications with parents and caregivers.
- Enhance achievement because children are motivated and encouraged to read at home.
- Allow children to take ownership and develop their own library.

Available in Super-Saver, Mini, or BIG Book Set Quantities

Children will enjoy these poetry books as they become aware of the sounds of the language, helping them to become readers. The rhythm of the language surrounds children with fun sounds and words that make them want to wiggle and giggle. The books in this set take children on adventures at sea, in space, on the way to school, and in their own backyards.

The Caption Book format encourages beginning readers to interact with the print. Large-sized print is separate from the picture, and the print placement establishes a top, left starting position. Ample space between words encourages easy one-to-one matching. High frequency words and language patterns are repeated to support young children in reading stories while they learn more about the conventions of printed language.

Set consists of 8 traditional nursery rhymes formatted with clear print text and is engagingly illustrated to hold the attention of young readers. Teachers can introduce the rhymes through charts, songs, or with NR BIG books. Children can then read and enjoy their own versions at home as they reread the rhymes and become aware of the sounds of the language.

Based on Spanish culture, these 8 books offer Spanish language rhymes, songs, and games for young children to read and enjoy. These books are formatted with clear print text and are engagingly illustrated to hold the attention of young readers. Teachers can introduce the rhymes through charts, songs, or with sNR BIG books. Children can then read and enjoy their own versions at home as they sing, count, read, and recite these Spanish favorites.

This set is a translation of the English Emergent Reader 1 Set with 8 engaging stories that encourage beginning readers to interact with the print. The books are organized in a sequence of difficulty with book 1, the easiest, and book 8, the most difficult. The stories focus on experiences familiar to young children to support their learning and encourage oral language development.

Order Code: CP

Order Code: CB

Order Code: RS1

Order Code: NR

Order Code: sER1
Learning about health and safety becomes fun as children read the books in this set. Readers can follow children just like them as they brush their teeth, exercise, eat healthy, go to the doctor, and follow safety rules.

Order Code: HS1

Each page in this set has one to three lines of text. The text is supported by pictures and predictable patterns, making the books easy reading to enjoy and practice at home.

Order Code: BF

This set offers 8 engaging stories for beginning readers that place an emphasis on learning lower case letter forms and a core of high frequency words. These elements are embedded in the stories and reinforced by the inclusion of a practice page. Numbered books offer a progression of text difficulty. Advance to Set LSW1b for repeated characters at higher reading levels.

Order Code: LSW1a

This set offers 8 new engaging stories for beginning readers placing an emphasis on learning lower case letter forms and a core of high frequency words. These elements are embedded in the stories and reinforced by the inclusion of a practice page. Numbered books offer a progression of text difficulty. In Set LSW2b you will find repeated characters at a more advanced level.

Order Code: LSW2a

The books in this set introduce numbers to young children by showing them how they are commonly used in everyday activities such as telling time, spending money, making a mask, and cutting a sandwich. In them, teachers, parents, and students can begin to explore the use of numbers which are presented in both cardinal and ordinal forms.

Order Code: LWNCB
In these stories, readers learn about staying healthy and safe through the experiences of children just like them. Topics include exercise, safety, hygiene, and going to the doctor.
This set contains full pages of text with less support from the pictures and enriched vocabulary, which increases the level of text difficulty. Stories include the fun of a trickster tale, information on fire safety, the excitement of a roller coaster ride, and the return of our favorite, mischievous dog, Mutt.

Order Code: LF1

Through a lively story format, children are shown how numbers are used in everyday activities. These books introduce the use of numbers in addition, subtraction, counting, making change, telling time, weighing, estimating, and making comparisons. Numbers are incorporated within the stories, becoming one more element of the reading experience.

Order Code: LWN

The Raccoon Family Adventure series is available in color with a new format for use with individual and small group reading lessons. The resource Teaching Suggestions for a Reading Lesson is included on the inside back cover for:

- Interactive introductions
- Word study
- Language/vocabulary study
- Comprehension/discussion questions
- Writing ideas to extend the story

Take children on 8 delightful adventures with this colorful family as they explore the world around them. Follow the two playful twins, Ricky and J.J., as their curiosity gets them into mischief. Children will enjoy joining these characters on many fun-filled journeys.

Set RAC1c-GR above can be used for individual & small group reading lessons prior to sending these books home.

Order Code: RAC1

Relating fact to fiction can make learning fun for children. This set features 8 paired books focusing on fun topics like thunderstorms, the ocean, sunflower plants, and cats. Each fictional title offers an interesting story that is paired with a factual book on the same topic. These books are larger (5½" x 8½") and have 16 pages to challenge a self-extending reader.
**ORDERING 1,2,3**

1. **Choose a Set**
   - Use the Order Code (can be found inside catalog right bottom of each set description)
   - Example: Order Code: LWN

2. **Choose a Set Quantity**

visit us at: keepbooks.org
All of us at The Ohio State University are working hard to support your efforts in reading and early literacy teaching and learning!

Reading at home is an important factor in helping young children learn reading skills early. We would like to contribute to the home reading of children in your school by introducing KEEP BOOKS®. These books were especially developed by educators to help children learn effective reading strategies.

We have found that KEEP BOOKS are a wonderful way to establish positive links with parents and caregivers. Teachers introduce the books to children at school and teach them how to take care of them at home. Children take the books home to keep! They learn to be collectors and readers of books at home.

KEEP BOOKS are produced on a not-for-profit basis by The Ohio State University literacy projects.

We hope your children enjoy the stories and increase their skills and love of reading as they read these books. We know that sending books home for students to reread and “keep” has a positive impact on parents as partners in learning. This brochure provides details of all available KEEP BOOKS sets as well as ordering information.

Sincerely,

[Signature]
